Residential Appeals – FAQ’s

Before you file an appeal – do this:

Talk to your local Township Assessor. If there is something that can be corrected on your assessed value, the Township Assessor would be the person that could immediately correct this information without filing an appeal. Be patient, the local Assessors are very busy at this time of year. Assessors may also speak to you over the phone, without having you make an appointment! If you don’t know who your local Township Assessor is; you can find this information on our website at www.willcountysoa.com and go to the Assessor Information link.

Now, if you and your Assessor cannot reach an agreement, follow these FAQ’s.

First off, don’t be frustrated. Filling out an appeal form isn’t hard, but it does take some effort on your part. Just follow these steps.

Let’s get started.

**Comparable Sales** – You check this option if you are using comparable and recent sales of homes of like or similar style and size to your home in your area. You must include copies of property record cards from your local Township Assessor, and a copy of the Illinois State Transfer Declaration (PTAX-203 Forms) of those sales, which can be obtained through [www.willcountyrecorder.com](http://www.willcountyrecorder.com) or coming into our office.

**Assessment Equity** – You check this option if you are utilizing comparable homes in your immediate area that are assessed less than your home. These homes should also be of like or similar style and size to your home. You will need copies of property record cards from your local Township Assessor and pictures of the comparables.

AFFIDAVIT OF HEARING WAIVER

TO BE USED ONLY IF YOU WANT THE BOARD OF REVIEW TO RENDER A DECISION BASED ON THE DOCUMENTS YOU SUBMITTED AND YOU DO NOT WANT TO APPEAR AT A HEARING.

I am the owner of the above residential property and wish that the Will County Board of Review accept my complaint, which has been filed and render a decision based on the evidence submitted with my complaint. I also understand that the Board of Review will seek additional evidence from the Township Assessor, Supervisor of Assessments, or from other sources to be considered along with my complaint.

In addition, I acknowledge that no further appeal will be considered by the Board of Review once a notice is sent, but that I may appeal to the State Property Tax Appeal Board within thirty (30) days after the date and/or postmark of written notice of our decision.

Under penalty of perjury, I do solemnly swear that the statements made and the facts set forth in this affidavit and appeal are true and correct, as I verily believe, and if the Board of review accepts my evidence as the basis for the assessment, I hereby waive my request for a hearing.

ALL EVIDENCE MUST BE SUBMITTED WITH THIS COMPLAINT AND WAIVER. NO ADDITIONAL EVIDENCE WILL BE ACCEPTED AFTER THE FILING DEADLINE OF THIS COMPLAINT.

Page 3 - Section III The Grid

The grid should be filled out to the best of your ability. It is to your advantage to provide as much information as you can to assist the hearing officer to reach a fair and equitable assessment decision.

A majority of the information needed to fill the grid out can be found on the property record cards you obtained from your local Township Assessor. You can utilize our website as a tool for research; however, you cannot submit the information from our website as your evidence.

The reason for that is, the Property Record Cards in your local Township Assessor’s office are the official records, and contain the most recent/accurate information available on properties.

Locate the sales listings on our site, contact your local Township Assessor for copies of the Property Record Cards for those homes, visit the Recorder of Deed’s website or our office for the PTAX-203 forms (if you plan to use them), and assemble your pictures, appropriately labeling them to the corresponding comparable.

SECTION III — This form may be copied if additional comparables are used. (An appraisal can be substituted for completion of this section.)

**What kind of evidence do I need?**
The Board of Review looks for a minimum of 3 comparables. “Comparables” are homes that are like your home. For example: if you have a 2 story house, make sure you use other 2 story homes. Try to use a minimum of 3, but you may use as many as you want.

The comparables must be in your subdivision and township, as close to your home as possible.

Obtain the property record cards for your home and the comparables at your local Township Assessor’s office. While there, you should talk to your Township Assessor about your current assessed value.

When using homes that have sold in your neighborhood - the sales had to occur in the prior three years of the current year.

Well, what does **that** mean? It means the assessment you are appealing is your current year assessment. That current year assessment is based on prior three years of sales. So, you must use sales in your appeal from this prior three year period. A current year sale would only be considered if it is for the subject property, meaning you recently purchased your home and are appealing that assessment based on your purchase price.

Copies of the Illinois State Transfer Declaration (PTAX 203 Form) of your sales comps can be obtained through [www.willcountyrecorder.com](http://www.willcountyrecorder.com) or by coming into our office.

**What kind of pictures do I need?**
Take pictures of the front and back of your home. You only need the front of your comparables. The pictures must be dated from your camera, or a sales slip showing you had the pictures developed this year. The Board needs to know that the pictures you took are recent.

You must also identify what comparable goes with what picture. Write the PIN or “Comp 1” on the back of the picture so the Board can tell which picture goes with which comp on your grid.

**Section IV – If you recently constructed your home**

Did you build your own house? Did you act as your own general contractor? You need to bring in those documents to establish this fact. For instance, the bills for the lumber, materials, bills from electricians, plumbers, bills for concrete work, etc. If you didn’t build your own home, you don’t need to fill out this Section.

**Completed!**

At this point, you’re appeal should be complete. You should be finished filling out your appeal. Now, **you must submit the original appeal form** – and this includes all the pictures and evidence. **Do not forget to make a personal copy for yourself because the original is used by the board.** Please do not use staples, use binder or paper clips to keep your appeal together. The board does not provide any copies of evidence to the taxpayer at the time of hearing, so it is advised that you keep a copy for your records.
Did you sign and date your appeal?

**Make sure your appeal is post marked by due date published for the current year. This date will be found on your notice, and published on the Supervisor of Assessments website.**

Your appeal is ready to be filed.

There are now three ways to submit your appeal. 1: Submit your appeal in person at the Will County Supervisor of Assessments Office at 302 North Chicago St. Joliet, IL 60432 2nd floor; 2: Send your appeal via U.S. Mail; 3: Use the Will County Board of Review electronic submission portal to submit your appeal electronically.
