What is the Veterans Organization Assessment Freeze?

The veterans organization assessment freeze (35 ILCS 200/10-300) allows qualified veterans organizations (chartered under federal law) to elect to freeze the assessed value (AV) of the real property it owns and on which is located the principal building for the post, camp, or chapter. The AV is frozen by the chief county assessment officer (CCAO) at 15 percent of the 1999 AV for the property that qualified in tax year 2000, OR 15 percent of the AV for the property for the tax year that the property first qualifies after tax year 2000.

Any improvements or additions that are made to the property that increase the AV of the property also are frozen at 15 percent of the AV of the improvement or addition in the year first assessed.
